Going to the World's Fair?

The Denver & Rio Grande Railroad announces that special excursion rates will be made for the St. Louis Fair on September 1st, 2d, 5th, 6th, 7th, 8th, 19th, 20th, 29th, and 29th, and October 3rd, 4th, 5th, 6th, 19th, 20th, 26th, 27th.

A splendid opportunity is hereby offered to visit the World's Fair cheaply and comfortably. At no season of the whole year are the beauties and grandeur of the Colorado Rockies so pleasing to the eye, as when decked with the russet and gold of the autumn foliage.

The schedule for the through Pullman sleepers as well as the personally conducted excursion parties is so arranged as to afford daylight views of the magnificent scenery via the Denver & Rio Grande, rightly called the Scenic Line of the World.

FIFTY CENTS A MONTH

A small bottle of Scott's Emulsion costing fifty cents will last a baby a month—a few drops in its bottle each time it is fed. That's a small outlay for so large a return of health and comfort.

Babies that are given Scott's Emulsion quickly respond to its helpful action. It seems to contain just the elements of nourishment a baby needs most.

Ordinary food frequently lacks this nourishment; Scott's Emulsion always supplies it.

Imitations always cost less than the original, hence the substitutes for Scott's Emulsion can be sold for a few cents less. But you're not saving anything when you buy them. Cod liver oil has a market value and you get the pure oil in Scott's Emulsion. That's the difference.

We'll send you a sample free upon request.

D. E. O'KEEFE.....EDITOR AND PROPRIETOR

REPUBLICAN TICKET.

FOR PRESIDENT
THEODORE ROOSEVELT
of New York.

FOR VICE-PRESIDENT
C. W. FAIRBANKS
of Indiana.

For Congress—Fifth District:
E. A. HAYES.
For Joint Senator:
S. H. RAMBO.
For Assemblyman:
R. H. JURY.

For Supervisors—
First District—Julius Eikerenkotter.
Third District—John MacBain.
Fourth District—Antone Joseph.

E. A. HAYES FOR CONGRESS.

In our last issue we stated that the election of Mr. E. A. Hayes would be of greater benefit to the people of this district than the election of any other candidate. We propose this week to submit two reasons why this is so.

In the first place Mr. Hayes will belong to and be a part of the party which will direct the affairs of government for at least two years to come. For that reason, if for no other, he will have more influence, more control, more to ask for and receive, than can by any possibillity, any member of any minority party. He will be a friend of and in council with his party leaders, and not a tail-ender on some insignificant committee as is the case in this district. All know that in Congressional matters, favors, appointments, etc., go by personal courtesy, and by party association. Mr. Hayes, one of the Republican majority, an associate of the leaders who shape affairs can and will be of tenfold more direct value than can any other possible candidate.

Were it necessary to establish this statement by facts we might quote from recent correspondence of the present and previous Congressmen from this district to show that such conditions actually have existed right here.

In the second place, Mr. Hayes is a citizen of Santa Clara county, which is closely allied with San Mateo county in interest in business pursuits and in the character of the people. He is not a citizen of the great hustling San Francisco, and for this very reason, should be more valuable for us in this county than is the Democratic candidate who is a citizen of San Francisco county, a man who if elected would and most naturally too, be tied first to his city. Is not this so? Would it not be human nature to be so? We therefore say, that it will be a wise step for the interests of this county to have as our representative a Santa Clara man.

Voters, think of these two suggestions. Are they not clear, true, and business like. If so, support E. A. Hayes.

For purposes of reflection, we ask voters to read this extract from a speech of Mr. Hayes at Gilroy last week:

"Here is another phase of protection. A Chinaman can live for 10 cents a day and he will work for 50. I do not want the American laborer to compete with such (Applause). I want to see such a state of things that the humblest laborer will be able to have a home and to bring up and educate his children as they should be educated. How can he do this if cheap labor comes in? I am proud to say that not a dollar of my money has ever gone for Mongolian labor (applause). But now what difference does it make if the protective walls are thrown down whether the Chinaman works in China or in the Santa Clara Valley? It is apparent that the Republican policy of protection is an absolute necessity to the American workingman and it is our duty to see that he is protected and to see that he gets all his labor is worth and am going to do my utmost to, see that he gets it."

THE NOMINEES.

The Republican Convention had but little business to transact Wednesday, but what was done commends itself strongly to the Republicans of thiscounty for their hearty support.

The nominee for the Assembly, R. H. Jury, is a young man of exceptional ability, strong in every portion of the county and a strenuous campaigner. Mr. Jury owing to his profession as a journalist is familiar with the needs of the county and can do much in the legislature for this section of the State. He is a young man with a clear record whom every citizen can support with enthusiasm. Having spent the greater portion of his life in this county he is in a position to know the wants of his county and has the ability to make his influence felt in the Assembly. There is no question but that he will be elected, but this should not deter Republicans from giving Mr. Jury their hearty support. He should have a pronounced majority.

The nominee for Supervisor in the First Township is Julius Eikerenkotter, the incumbent. As deeds speak for themselves so will the good work done on the roads of the First Township speak out in praise of Mr. Eikerenkotter. He has done more for the people of that township in the way of road-building than any of his predecessors. He has during his term of office been a faithful public servant, performing his duties in a manner that commend him to his constituents who intend to return him to his present position for four years more. When a man has been tried in public position and not found wanting the people generally retain him in office and this is just what the voters of the First Township are going to do with Julius Eikerenkotter. It is predicted that the majority will be overwhelming and this is what it should be for there is not a more painstaking, conservative and honest official than Julius Eikerenkotter.

John MacBain, the well known contractor and builder of Menlo Park, is the nominee for Supervisor in the Third Township. There is not a better known man in all the Third townhip than he. He is acquainted with every inch of the district, knows the needs of the people and being a contractor has knowledge of road building, which comes from long experience. Mr. MacBain has resided the major portion of his life in this township and has always been a staunch Republican. As secretary of the County Commiitee he traveled throughout the county two years ago on behalf of the Republican ticket, lending his aid and support. Personally he is a genial, wholesouled gentleman, with a tact of making friends and votes. If elected he will make a faithful, painstaking and conscientious Supervisor—one of whom the elector may justly feel proud.

Antone Joseph, the nominee for Supervisor in the Fourth township, is an honest citizen of the Coast, where he was born and grew to manhood. The young element of the Republicans of the district will give him earnest support during the campaign He will also have the assistance of the Halfmoon Bay Republican Club, one of the strongest political organizations in the county. Mr. Joseph comes before the voters of his township as an intelligent, industrious young man who commands the respect of all who know him. It is pretty generally conceded that he will be elected He has a good knowledge of road building, is capable and honest and if elected will make an enviable record as a Supervisor. Mr. Joseph is a gentleman of wide experience, thoroughly acquainted with the affairs of the Fourth township, and moreover possesses all the requirements to make the ideal Supervisor.

Every Republican should see to it that he votes for S. H. Rambo for Joint Senator on November 8. Remember that if elected he will vote for some good Republican for United States Senator and President Roosevelt will need all the assistance he can get from the Senate. Therefore a Senator should by all means be sent from California at the meeting of Legislature next January. Mr. Rambo is a capable, honest gentlemen and a lifelong Republican whom the party can support wtth enthusiasm. San Mateo County should give him a rousing majority.

Neither force nor skill can turn the current of a woman's will.

To-morrow the Redwoods will play the Alamos of San Francisco on the local gridiron.

BIG SALE OF MARSH LAND.

Vast Tract Near Redwood to be Brought Under Cultivation.

Last Saturday a deed was filed for record with the County Recorder showing the sale of 2284 acres of the Whitney-Hearst marsh lands, located directly in front of Belmont. The purchasers were a syndicate of Eureka capitalists, who have had considerable experience with this character of work in Humboldt county, where this same class of land, that was practically useless a few years ago, is now valued at from $150 to $200 per acre.

The purchasers of this large tract near Belmont have about completed their plain for reclaiming the land and it will be only a short time till this "home of ducks" is transformed into one of the richest tracts of land for farming and vegetable growing in the State, which will certainly add materially to the upbuilding of Redwood City.

When it is realized that this land is in the very heart of the rapidly growing "San Francisco Peninsula," that it is within less than an hour from San Francisco by the best train and electric car service in California, that it has the best deep water shipping facilities about the bay, that adjoining lands are bringing from $300 to $3000 per acre, some conception of the importance of the movement so San Mateo county can be formed.

A few years ago a body of the same class of land in front of San Mateo was diked; and now, where then a boat was necessary for locomotion, are seen clusters of farm houses, the puffing threshing machine and traction plow, herds of fat cows doing their part to supply San Fradcisco with wholesome milk from the succulent meadow grasses, and all the evidences of a prosperous, busy farming life.

It is surprising, in view of he richness of this land, the abundance of artesian water, its perfect climate, its facilities for communication by water and rail, that it has so long luin dormant.

WOODSIDE CHIPS.

WOODSIDE, October 7 —Last Saturday evening the reception given to Mr. and Mrs. William Byrne took place at the home of the bride's mother, Mrs. T. Shine, as announced in last week's issue. A perfect evening made more beautiful by the array of bright lights and artistic floral decorations added much to the joyous event. Fully one hundred friends of the popular bride and groom assembled to shower good wishes and congratulations upon them. The Shine home, noted far and wide for its hospitality, outshone all former occasions so charmingly were the guests entertained. Dancing, instrumental and vocal music, helped to while away the delightful evening. At midnight a sumptuous repast was served. Toasts and pretty speeches, sparkling with wit, were heard from the merry guests. Again and again was the health and happiness wished to the bride and groom by their many friends, all of whom know how deserving Mr. and Mrs. Byrne are of this world's riches and rewards. The evening's festivities continued till a late hour, ere the last guest took his departure. Surrounded as they are by the love and respect of their many friends, may the future of the happy and popular couple be one long day of bright sunshine.

Archbishop Riordan, accompanied by Father Ramm, were guests of Mr. and Mrs. J. A. Folger, Monday. While here they visited the Portola church and were much pleased with this locality. It is rumored that Mrs. Folger will shortly begin the erection of a Catholic church at Woodside that will cost $20,000.

The bridge over Dry creek at Dalve's will not be open for travel Sunday. Contractor Morey will begin preparatory work on the new bridge that day.

His employer, recognizing his worth, has given him a six-weeks' vacation that will be spent in various portions of the State. He will go to Los Angeles and the other large cities of California. Mr. Carter's many friends wish him a very pleasant vacation.

Democratic County Convention.

The Democratic County Convention was held at Library hall, San Mateo, last Saturday morning. Archer Kincaid presided and J. J. McGrath of San Mateo acted as secretary. All of the precincts sent delegates except Searsville, San Gregorio and Pescadero. James Callan of Colma was nominated for the Assembly. James T. Casey of Colma is the party candidate from the First township, Jos. L. Debenedetti will try for re-election in the Fourth township. No candidate for the nomination of Supervisor in the Third township was present so a no nomination blank will be opposite that position in the Democratic column on the ballot.

COUNTY BOARD IN SESSION

Official Business Transacted by the Supervisors at Last Meeting.

New Subdivision of Lomita Park Accepted—Cemetery Matter Laid Over.

The Board of Supervisors met in regular session Monday. All members were present.

The following reports of county officials were accepted and ordered filed:

SOUTH SAN FRANCISCO, Oct. 3, 1904.
To the Hon. Board of Supervisors of San Mateo county:

The health of the county has been good for the past month. Complaints has been made of the water supplied to El Cerito Park, near San Mateo, by the Bowie Estate Co., and on investigation I find the same to be poor, from vegetation but no sewerage contamination. I have given the facts to your District Attorney. Three cases of scarlet fever have occurred in the laundry at South San Francisco, causing its quarantine.

I have issued 637 burial permits for which I have collected $637, and five disinterment permits for which I have collected $50, making a total of $687 turned over to the county Treasurer as per Auditor's receipt attached.

Third township—M. Kuck, B. F. Burke and A. J. Carleton, Menlo Park.

Afternoon Session.

The Board met at 1:30 p. m. pursuant to adjournment during the morning session. All the members answered to roll call.

The Clerk read the affidavits of D. E. O'Keefe, showing that due and legal notice had been given for contracts for three bridges to be built in the county. This being the time for opening the bids, the Clerk was instructed to open same. They were as follows:

Bridge No. 1, to be built over Dry creek near Dalve's hotel at Woodside, in the First Township—D. E. Brown, $1330; Harry B. Morey & Sons, $1243; 35 cents per cubic foot for extra concrete.

Clark & Henery — $1288; extra concrete $9 per yard.

On motion of McEvoy seconded by Eikerenkotter, Harry B. Morey & Sons being the lowest bidders, were awarded the contract.

Bridge No. 2 — Concrete arch bridge over a small slough on line of San Bruno road near the Seven Mile House in the First Township—Clark & Henery, $1490; extra concrete $10 per cubic yard. Surveyor's estimate was $1650.

Eikerenkotter thought the bid excessive and on his motion, seconded by McEvoy, said bid was rejected and the Clerk instructed to readvertise for bids.

Bridge No. 3, to be constructed over the Arroyo Canyada Verde on line of main County road leading from Half-moon Bay to Purissima, in the Fourth Township—Clark & Henery, $4434; extra concrete, $9.80 per cubic yard. D. E. Brown, $5162; John Savage, Eugene Denarie and G. B. DeMartini, $4444.

On motion of Debenedetti seconded by McCracken the contract was awarded to Savage & Co. for $4444.

On motion of McCracken seconded by Eikerenkotter, the Clerk was instructed to return all checks to the unsuccessful bidders.

McEvoy explained to the Board that there were two bridges near the Summit on the road leading from King's, that needed repairs. They were built in 1867, and were dangerous to travel over. He asked as a matter of urgency that he be permitted to get the lumber at the nearby mills before they would shut down for the winter. If this were not done it would become necessary to haul the lumber from Redwood City, thereby necessitating greater cost.

On motion of Debenedetti seconded by Eikerenkotter, the request was granted.

The Governor's Election Proclamation was received and on motion of McEvoy, seconded by McCracken, same was accepted and filed. The members of the Board were notified by the Chairman to have the names of election officers and polling places in the various precincts of the county ready by the next meeting, when the State and County Election Proclamation would be ordered published.

Geo. C. Ross presented a map of Subdivision No. 3 of Lomita Park, near Millbrae. He asked that the map be accepted and the streets and avenues delineated on same be accepted as public highways. The tract is divided into 220 lots. A resolution dedicating the streets to the public was presented by McCracken and seconded by Eikerenkotter and adopted as follows:

"Whereas, The aforesaid map or plat is now presented to this Board for acceptance,—

"Now therefore, be it Resolved, That San Anselmo avenue, San Antonio avenue, Santa Lucia avenue, Santa Inez avenue, Santa Clara avenue, San Diego avenue, Santa Maria avenue, Santa Helena avenue and San Juan avenue, as delineated on said map, be, and the same are, hereby accepted on behalf of the public by the Board of Supervisors of the County of San Mateo as dedicated to public use in accordance with the Act of the Legislature of the State of California entitled 'An Act requiring the recording of maps of cities, towns, additions to cities or towns, or subdivisions of land into small lots or tracts for the purpose of sale, and providing a penalty for the selling or offering for sale any lots or tracts in cities, towns, additions to cities, towns, subdivisios, or additions thereto, before such maps are filed and recorded', approved March 9, 1893, [Statutes of 1893, Chapter LXXX] and as amended by amendment of section 3 of said act [Statutes of 1901, Chapter CXXIV], and the Clerk of this Board is directed to endorse acceptance on said map as follows, to-wit:

"San Anselmo avenue, San Antonio avenue, Santa Lucia avenue, San Benito avenue, Santa Inez avenue, Santa Clara avenue, San Diego avenue, Santa Maria avenue, Santa Helena avenue and San Juan avenue, as shown and delineated on this map, are hereby accepted by the Board of Supervisors of the County of San Mateo on behalf of the public as dedicated to public use in accordance with and subject to the terms of a resolution of said Board adopted this —th day of October, 1904,' and

"Resolved, That this resolution is adopted and said map accepted upon and subject to the express condition that the County of San Mateo does not hereby become responsible or liable for any expense, cost or charge as to any of such avenues or streets, or on any part thereof, whether for grading, macadamizing or for any other road purpose, this condition and the incurring of any expense, cost or charge being left to the discretion of future Boards of Supervisors, nor shall said Board of Supervisors, or any member thereof, or said County of San Mateo, be liable in damages in any sum or amount arising by or through any defect of any kind in any of said avenues or highways."

The petition signed by a large number of signers, residents of Colma, asking that a district be set apart in the vicinity of that town within which it shall be unlawful to establish cemeteries was read.

The petitioners were represented by Henry Ward Brown, who delivered an exhaustive argument, in which he sought to prove the legality of the step which his clients desire taken. He wanted an ordinance passed which would make it a misdemeanor for any company or person to establish or maintain a cemetery within the limits proposed. The limits which he desired set apart as forbidden ground embraced the site of the proposed new Masonic cemetery, whereat the promoters of this enterprise entered an objection.

He read Supreme Court decisions and quoted authorities to strengthen his position. He consumed an hour and a half in his argument to the Board.

The Masonic cemetery was represented by Geo. C. Ross. He said he did not think it fair to exclude the new cemetery after it had expended large sums of money in buying property. Further expenditure would be made in beautifying the grounds and hundreds of men would be employed. He thought the cemetery would be a great benefit rather than a detriment. He recited the fact that cemeteries were established near the cities of Oakland and San Jose and no complaint was heard from these places. Mr. Ross also argued at some length the legal phase of the question, quoting Supreme Court decisions.

McEvoy thought that the people of Colma should be given some protection against the encroachment of cemeteries.

Supervisor Eikerenkotter said he believed the people were entitled to some protection, and on his suggestion the matter was laid over in order that the Board could determine the proper boundaries for the proposed district.

On motion of McEvoy seconded by Eikerenkotter, the matter was referred to the Board as a whole and five citizens of Colma to report at the next meeting. The Supervisors are to visit Colma and in conjunction with the five citizens are to go over the territory.

All other matters in reference to the cemeteries went over until the next meeting. The application of Mr. Kelly for a permit to establish a cemetery to bury indigents also went over.

Plans and specifications for a bridge over a small creek at Burlingame were accepted and on motion of McCracken seconded by Debenedetti, the Clerk was authorized to advertise for bids, which will be opened November 7th. The Surveyor's estimate for the work is $960.

The list of claims allowed will be published next week.

No further business appearing the Board adjourned to Monday, October 17.

REPUBLICANS HAVE A MEET

Convention Nominates R. H. Jury for Assemblyman.

Republican National and State Platforms Endorsed—Candidates Talk.

The County Republican Convention was called to order in the Alhambra, Saturday morning at 10:30 o'clock.

County Committeeman W. B. Lawrence called the convention to order.

Nominations for temporary Chairman were declared in order. Peter Thorsen of San Mateo named George Bartlett also of San Mateo for the place.

W. J. Martin of South San Francisco was placed in nomination by Dr. C. L. McCracken. A vote was taken and W. J. Martin received 21 and Geo. Bartlett 31. On taking the chair Mr. Bartlett thanked the convention for the honor bestowed upon him and predicted success for the Republican party at the polls in November.

Nominations for temporary Secretary were then declared in order. John Rowell of Belmont was the unanimous choice of the convention and Hall Ross was selected as assistant.

The Chairman then announced the following committees:

Committee on Credentials — W. A. Price, Thomas Connolly, John H. Pitcher, Manuel Goulart, W. C. Parsons.

Committee on Platform—W. B. Lawrence, Alexander Gordon, Dr. McCracken, D. J. Lynch, W. J. Martin.

Order of Business—W. J. Plump, Dr. H. G. Plymire, Peter Thorsen, M. P. Dutra, C. J. Coburn.

At the suggestion of Geo. C. Ross, E. A. Hayes the nominee for Congress and S. H. Rambo, candidate for Joint Senator, were escorted to the platform.

Mr. Hayes delivered a stirring address paying a high tribute to President Roosevelt and to the Republican party. He pledged himself if elected to work for the best interests of the Fifth Congressional District. His speech was well received and the convention heartily applauded Mr. Hayes as he took his seat.

Mr. Rambo made a brief but appropriate address, in which he thanked the Convention for the consideration it had given him.

An adjournment was taken until one o'clock to allow the committees time to prepare their reports.

The Convention reassembled at 2 o'clock and the Committee on Credentials reported the following delegates entitled to serve in the Convention:

The Committeee on Organization and Order of Business reported that the temporary officers be made the permanent officers of the Convention.

W. B. Lawrence, chairman of the Committee on Platform and Resolutions read the following platform, which was adopted by rousing cheers:

The Republican Party of San Mateo county, in convention assembled, hereby heartily endorses the Republican National Platform adopted at the National Convention in Chicago in June last, and also the State Platform adopted by the Republican State Convention held at the city of Santa Cruz on August 24th, 1904, and pledges its hearty support to Theodore Roosevelt for President and Charles W. Fairbanks for Vice President.

We hereby give our unqualified approval and endorsement of the administration of our President, Theodore Roosevelt, and we especially endorse his action of the administration in securing possession of a route for the Panama Canal and its vigorous support of National Irrigation of the arid lands of our Western States.

We also indorse the State administration which has been so carefully, thoroughly and honestly conducted for the past two years, under the direction of Hon. George C. Pardee and other Republican State officials.

We hereby endorse the nomination of Hon. E. A. Hayes for member of Congress from the Fifth Congressional District as a nomination most fit to be made, and believe that in his election we shall secure an able, upright and efficient Congressman for this district who will uphold a Republican Administration.

We also endorse the nomination of Hon. S. H. Rambo of Santa Cruz for Joint Senator from the 29th Senatorial District composed of Santa Cruz and San Mateo Counties, and pledge him our earnest support.

We earnestly appeal to the young voter to investigate and compare the records of the great parties and after such investigation we feel convinced that he will join with that party which has given us such great prosperity and has placed the United States in the lead in all respects as a nation. Respectfully submitted,

(Signed): W. B. Lawrence, C. L. McCracken, A. Gordon, D. J. Lynch, W. J. Martin.

Nominations for Assemblyman being declared in order, W. J. Plump took the floor and in a neat speech placed the name of R. H. Jury of San Mateo before the convention. He lauded the young journalist for his many good qualities and assured the convention that he would make an honest, conscientious Assemblyman. The nomination was seconded by Peter Thorsen. W. J. Martin of South San Francisco in a rattling speech nominated H. W. Brown of Colma. The speaker said that Brown had filled the position for three terms to the credit of the county. He claimed that Brown was the best Assemelyman the county ever had. The nomination was ably seconded by L. E. McLellan who made a stirring speech.

Both the nominees were called to the platform and made need speeches in endorsing the platform adopted by the convention. Both pledged themselves to work for the success of the Republican party at the approaching election.

R. H. Jury was the choice of the convention by a vote of 43 to 27. Mr. Brown said that he was not a member of the convention but would request that the nomination be made unanimous and this done.

The township delegations formed separate organizations and made nominations as follows:

First township — Supervisor, Julius Eikerenkotter; Thomas Connelly, County Committee; F. O. Clawson, alternate.

Second township—County Committeeman; W. B. Lawrence, alternate Hall Ross.

Third township — Supervisor, John MacBain; alternate, W.J. Plump. County Committeeman, W. A. Price.

Fourth township—Supervisor, Antone Francis Joseph; county committeeman, D. J. Lyhch; alternate, John H. Pitcher.

Fifth township—County Committeeman, C. J. Coburn; alternate C. L. McCracken.

These nominations were ratified by the convention and with loud cheers for the entire Republican ticket the Convention adjourned sine die.

After adjournment the County Committeemen met and organized by electing W. B. Lawrence, Chairman, and W. A. Price, Secretary.

SCARED THE PASSENGERS.

Sleepy Passengers Are Awakened by the Crashing of Glass.

The theater train returning from San Francisco Sunday night met with a peculiar accident two or three miles above Belmont. At 12:20 o'clock many of the sleepy passengers were aroused by the crashing of window glass and hoarse shouts outside. The glass along the row of upper ventilators in every car had been shattered in several instances. Some of the sleepy passengers cried out, thinking a serious accident was impending, and many jumped from their seats. The lights on the left side of the engine cab was completely shattered and the flying glass cut and bruised the firemen rather severely. No passengers in the coaches behind were hurt. When the train stopped the brakeman of the rear car went back a hundred yards to see what had caused the accident, but could learn nothing.

It is thought that a loose board caught like a road sign by one of the telegraph poles along the track scraped along the cars, shivering the windows, but whether it was placed by a malicious hand or not is not known.

CURES STOMACH TROUBLES

THE body gets its life from food properly digested. Healthy digestion means pure blood for the body, but stomach troubles arise from carelessness in eating and stomach disorders upset the entire system. Improperly masticated food sours on the stomach, causing distressing pains, belching and nausea. When over-eating is persisted in the stomach becomes weakened and worn out and dyspepsia claims the victim.

Thedford's Black-Draught cures dyspepsia. It frees the stomach and bowels of congested matter and gives the stomach new life. The stomach is quickly invigorated and the natural stimulation results in a good appetite, with the power to thoroughly digest food.

You can build up your stomach with this mild and natural remedy. Try Thedford's Black-Draught today. You can buy a package from your dealer for 25c. If he does not keep it, send the money to The Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed you.

SAN FRANCISCO SEAWALL ACT.

CHAPTER CCXI.

An act to provide for the issuance and sale of State Bonds to create a fund for the construction by the Board of State Harbor Commissioners of a seawall and appurtenances in the City and County of San Francisco; to create a sinking fund for the payment of said bonds; and providing for the submission of this act to a vote of the people.

(Approved March 20, 1903.)

The people of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the erection of a seawall and appurtenances in the City and County of San Francisco, at a cost not to exceed two million dollars (which said seawall and appurtenances the board of state harbor commissioners are hereby empowered to construct in the manner authorized by law, and at a cost not to exceed said two million dollars), the state treasurer shall, immediately after the issuance of the proclamation of the governor, provided for in section ten hereof, prepare two thousand suitable bonds of the state of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of two million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the time of the sale thereof, and both principal and interest shall be payable in gold coin of the present standard of value, and they shall be payable at the office of the state treasurer, at the expiration of nineteen years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date, the second day of January, A. D. nineteen hundred and five, and shall be made payable on the second day of January, nineteen hundred and twenty-four A. D. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the said state treasurer on the second day of January, and on the second day of July, of each year after the sale of the same; provided, that the first payment of interest shall be made on the second day of January, A. D. nineteen hundred and six, on so many of said bonds as may have been theretofore sold. At the expiration of nineteen years from the date of said bonds, all bonds sold shall cease to bear interest, and, likewise, all bonds redeemed by lot shall cease to bear interest as in this act provided, and the said state treasurer shall call in, forthwith pay, and cancel the same, out of the moneys in the San Francisco seawall sinking fund provided for in this act, and he shall, on the first Monday of January, nineteen hundred and twenty-four, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer, and each shall have the seal of the state stamped thereon. Each bond shall contain a clause that it is subject to redemption by lot after the year 1914.

Sec. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to or mutilation of the bond. Said coupons shall be consecutively numbered, and shall be signed by the state treasurer. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser.

Sec. 3. The sum of one thousand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the San Francisco harbor improvement fund on controller's warrants duly drawn for that purpose.

Sec. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as said treasurer shall be directed by the governor of the state, under the seal thereof, after a resolution requesting such sale shall have been adopted by the board of state harbor commissioners; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered, and he may, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. The costs of such publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund, to be known and designated as the "San Francisco Seawall Fund" and must be used exclusively for the construction of seawalls and appurtenances thereto on the water front of the city and county of San Francisco. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Francisco harbor improvement fund.

Sec. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "San Francisco Seawall Sinking Fund" shall be and the same is hereby created, as follows: The state treasurer shall, on the first day of each and every month after the sale of said bonds, take from the San Francisco harbor improvement fund such sum as, multiplied by the time the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said San Francisco harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the San Francisco seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the state of California, or of the several counties or municipalities of the state of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Francisco harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners are hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage, to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the state of California. Between the first and the tenth day of November, in the year nineteen hundred and fourteen, and between the first and the tenth day of November of each year thereafter until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lots such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of December following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of January, following, and that from and after such last named date all interest upon bonds thus drawn shall cease and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same and the interest coupons thereon, and each year beginning with the year 1914 the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereabove stated. After the payment of all of said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco harbor improvement fund. At the time of the respective drawings by lot as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.

Sec. 6. The state controller and the state treasurer shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

Sec. 7. It shall be the duty of the state treasurer to pay the interest of said bonds, when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

Sec. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, A. D. nineteen hundred and four, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 9. This act shall be submitted to the people of the state of California for their ratification at the next general election, to be holden in the month of November, A. D. nineteen hundred and four; and all ballots at said election shall have printed thereon, and at the end thereof, the words "For the San Francisco Seawall Act," and in a separate line under the same the words "Against the San Francisco Seawall Act," and opposite said lines there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against the said act, and those voting for said act shall do so by placing a cross opposite the words "For the San Francisco Seawall Act," and all those voting against the said act shall do so by placing a cross opposite the words "Against the San Francisco Seawall Act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 10. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at such election, as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act, then the same shall be and become void.

Sec. 11. This act may be known and cited as the "San Francisco Seawall Act."

Sec. 12. All acts and parts of acts in conflict with the provision of this act are hereby repealed.
